(48 pgs., B&W-a with 14 pgs. of teaching helps)  
NOTE: This series contains Classics Ill. art, and was produced from the same illegal source as Cassette Books. But when Twin Circle sued to stop the sale of the Cassette Books, they decided to permit this series to continue. This series was produced as a teaching aid. The 20 title series is divided into four levels based upon number of basic words used therein. There is also a teacher's manual for each level. All of the titles are still available from the publisher for about \$5 each retail. The number to call for mail order purchases is (201)767-5937. Almost all of the issues have new covers taken from some interior art panel. Here is a list of the series by Regents ident. no. and the Classics Ill. counterpart.

NOTE: *The Sad Sack Comics comic book was a spin-off from a Sunday Newspaper strip launched through John Wheeler's Bell Syndicate. The previous Sunday page and the first 21 comics depicted the Sad Sack in civvies. Unpopularity caused the Sunday page to be discontinued in the early '50s. Meanwhile Sad Sack returned to the Army, by popular demand, in issue No. 22, remaining there ever since. Incidentally, relatively few of the first 21 issues were ever collected and remain scarce due to this. George Baker covers on numerous issues.*

With the release of this book, Dr. Wertham reveals seven years of research attempting to link juvenile delinquency to comic books. Many illustrations showing excessive violence, sex, sadism, and torture are shown. This book was used at the Kefauver Senate hearings which led to the Comics Code Authority. Because of the influence this book had on the comic industry and the collector's interest in it, we feel this listing is justified. Modern printings exist in limited editions. Marvel #1. There is speculation that this book almost became *Captain Marvel* #1. After *Special Edition* was published, there was an editor change at Fawcett. The new editor commissioned Kirby to do a new *Captain Marvel* book early in 1941. This book was followed by a 2nd book several months later. This 2nd book was advertised as a #3 (making *Special Edition* the #1, & the new issue the #2). However, the 2nd book did come out as a #2.
